

PACIFIC

Outdoor Type
Decorative Lighting Poles

PACIFIC combines an elegant shape to radial optics specially designed to ensure the best lighting performance, producing different light effects based on the screen type.

The PACIFIC range of outdoor urban Pole is resplendent in its versatility and clear design style. Yet its star qualities are in no way diva-like. Quite the opposite in fact: it is robust, efficient and flexible. The high-quality lighting tool is suitable for professional use and accentuation in a wide variety of indoor and outdoor applications. Within this section we have products with optical performance suitable for residential roads, traffic routes, public amenity areas, pedestrian crossings, parks, footpaths, cycle ways, rail platforms and many other exterior applications. The standard design makes it easy to combine the three different sizes.
