

LARA

Outdoor type
LED Bollard Lighting

LARA is a family of outdoor bollard. Essential volumes, vintage lines and timeless elegance are the main features of a versatile product that is extremely adaptable to its context of use.

In the second case it can create magical compositions by using elements of different heights, such as small forests of pure light. The fully engineered optics by Lara are presented in a street beam, asymmetrical and circular diffusion. LARA is a lamp designed to give depth and identity to the outdoor composition, both in shape and for the light produced.
